CHAMBERS STREET PROJECT PROJECT # HMMWTCA6B

Borough: MANHATTAN

August 27, 2010

ONE-WAY TRAFFIC ON CHAMBERS STREET Between West Street and Greenwich Street

Beginning on Sunday, August 29, 2010 for approximately eighteen (18) months

Beginning on Sunday, August 29, 2010 and continuing for approximately eighteen (18) months, EASTBOUND traffic will be eliminated along Chambers Street between West St and Greenwich St. One lane of westbound traffic will be maintained at all times. This traffic change is necessary in order to excavate half of the street at a time and still maintain the safety of pedestrians, vehicles and construction workers. Once work is finished within this area the work will advance to the next block, Chambers St between Greenwich St and West Broadway (Notices will be distributed prior). Then it will switch to the north side of Chambers Street. When both sides of both blocks are complete, two-way traffic will be returned.

At this time the DDC will be installing new or upgrading existing water mains systems in:

- Chambers St between West St and West Broadway
- Greenwich St, approximately two hundred (200') feet north and south of the intersection of Chambers

Traffic/Community Impacts:

- The M20 & M22 bus routes have been detoured according to the MTA bus plan
- Designated loading zones will be established and signs will be posted. This is a twenty-four (24) restriction for the duration of this phase of construction.
 - Measures will be in place to allow deliveries to businesses on Chambers Street during the time the detour is in effect.
- Pedestrian access to businesses and residences will be maintained at all times.

We appreciate your cooperation and thank you for your patience while we rebuild Lower Manhattan's infrastructure.

If you have any questions or concerns or would like to learn more about the project, please call Marsha Sbordone, the Community Construction Liaison at (646) 380-5172 or visit the office at 22 Park Place, 3rd Floor. During non-construction hours, please contact New York City Government Services and Information Hotline at 311.
