

ALL IP TENANTS SHOULD ATTEND AND LEARN WHAT TO DO IN A FIRE EMERGENCY!

The City of New York

Manhattan Community Board 1

FIRE SAFETY FORUM

Thursday, September 18, 2014

6:00pm - 7:30pm

199 Chambers Street at BMCC

(please note: there is a little community board business before the fire forum at 6:00 – which is always interesting. The fire forum will start shortly thereafter.)

“As we discovered in the recent fire at 310 Greenwich Street, some people panicked and left their apartments instead of sheltering in place and were overcome by smoke.

Come and learn the appropriate responses when there is a fire. Guessing is dangerous to you and those around you. It’s important to let the fire department explain what to do, how to do it and when, during an emergency.”

– D.Lapson, IPNTA.
